

## Job Fair in Onion Lake at the Community Center – May 14, 2009

On May 14, 2009 Lloydminster Chamber of Commerce in partnership with the Women in Trades Project at Onion Lake held a Job Fair in the Onion Lake Community Center from 10:00 am until 2:00 pm. This is the third phase of the Aboriginal Employee Attraction & Retention Program that the Chamber has initiated, funded in part by Alberta Employment & Immigration.

Alberta Employment & Immigration made their Career Bus equipped with computers, satellites and Career Counselors available the day before to assist those wanting to attend the job fair to do up or polish up their resume. Everyone was welcome to attend. Many businesses and individuals were available with information about hiring qualifications that organizations requires. Tables were made available and the organizers offered their assistance to accommodate requests from participants. The organizers from Onion Lake were very pleased and excited to have this opportunity available in their community and provided job seekers and businesses with excellent hospitality.

Door prizes were handed out, lunch was available and the Onion Lake Radio Station was broadcasting throughout the day.

Thanks to everyone who participated to make this a worth while event.
