Make your grand opening an event with impact!

Let the Lloydminster Chamber of Commerce assist you with your ribbon cutting or grand opening celebration.

Our support is available if your business/organization is a current member of the Lloydminster Chamber of Commerce and you have:

- Opened your doors in the last 12 months and have not yet had a grand opening
- Relocated/rebranded in the past year
- Remodeled or expanded your present location
- Changed ownership

A Grand opening is a big event and new businesses should take full advantage of the opportunities it offers to gain publicity and attract potential customers on the very first day. It deserves the time it takes to plan it well. Let the Chamber help in the planning process

You should begin planning your grand opening just as soon as you begin planning your business. It is important! Your grand opening is a way of inviting potential customers into your business and turning them into regular customers .

If you are interested in having the Chamber assist with your Grand Opening, please call the office at 780-875-9013 or email info@lloydminsterchamber.com
